### CERTIFICATION OF NON-SEGREGATED/ACCESSIBLE FACILITIES

The Hoosier Company, Inc., certifies that we do not maintain or provide for any segregated facilities at any of our establishments. Hoosier will not permit its employees to perform their services at any location, under our control, where segregated facilities are maintained. Hoosier agrees that a breach of this certification is a violation of the Equal Opportunity Clause. Hoosier further certifies that no employees will be denied access to adequate and accessible facilities on the basis of sex or disability.

As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, timeclocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or in fact segregated on the basis of race, color, religion, national origin, age or disability, because of habit, local custom, or otherwise.

We further agree that (except where we have obtained identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000, which are not exempt from the provisions of the Equal Opportunity Clause) we will retain such certificates in our files; and that we will forward the following notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).
